

Application for Lease Extension / Lease Renewal

Note to applicant: Please read the following before you complete this form.
This form may take you 10 minutes to fill in.

1. Government Policy for Lease Extension

In general, the Government's policy is to allow leases to expire without extension. In land scarce Singapore, we need to recover land upon lease expiry to re-allocate it to meet fast changing socio-economic needs. Nevertheless, the Government will consider extension of State leases on a case-by-case basis where they are in line with planning intention and help to further specific economic and social objectives.

2. To help us process your case promptly, please attach the following documents

(i) All URA planning approvals including Provisional Permission, Written Permission and any extensions to Provisional Permission for the proposed development on the site.

(ii) 2 copies of cadastral plan and location plan each. You may purchase the plan through INLIS at <http://www.inlis.gov.sg> by selecting "Survey Cadastral Map" from the "Land Survey Information" menu.

The cadastral plan should contain the following particulars:

- (a) all existing roads, cadastral boundaries, lot numbers and Mukim / Town Subdivision boundaries.
- (b) the development site outlined in red.

(iii) Please attach a photograph showing the existing development on the site.

(iv) Photocopy of the Certificate of Title / Last Deed of Conveyance of the land.

(v) Processing fee of \$1,000.00 for each lot applied for. Payment can either be made:
 (a) via CashCard or NETS at our service counter; or
 (b) by way of a cheque made payable to "**Commissioner of Lands, SLA**".

3. Please note the following:

(i) The fee payable for processing the application is not refundable.
